

LANDSCAPER WORKSHOP

Installation and Maintenance of Stormwater Control Measures

Date Thursday, November 15, 2018
Sessions 10:00 am – 12:30 pm and 1:30 pm – 4 pm
Location Watershed Stewardship Center, Parma OH
Facilitators Chagrin River Watershed Partners,
The Ohio State University, & Summit SWCD

A workshop for landscape architects, landscape professionals, and contractors interested in learning more about how to design, install, and maintain residential stormwater runoff reduction practices and provide feedback on potential incentive programs to expand use of these practices.

Register by calling Alicia Beattie at 440-975-3870 #1003 or e-mail abeattie@crwp.org

Topics of Discussion:

- Stormwater fee credits through the Northeast Ohio Regional Sewer District (NEORS) Regional Stormwater Management Program
- How to install and maintain
 - Vegetated filter strips
 - Rain gardens
 - Rain barrels
- Potential incentive programs that could increase resident interest in rain gardens and other stormwater controls

This workshop is presented by the Central Lake Erie Basin Collaborative and funded by the Northeast Ohio Regional Sewer District (NEORS).
